地點 / 形式	線上初賽；決賽於香港教育大學
報名截止	2026-04-26T23:59:00+08:00
賽事期間	2026-05-18T00:00:00+08:00 至 2026-07-15T23:59:00+08:00

官方資訊摘要

【Streams】
Stream 1: practical and ethical use of generative-AI tools in education. Stream 2: development of tailored AI agents for recognised learning needs. Stream 3: embodied AI, robotics and spatial computing such as AR / VR for education. All streams accept individual or team entries, with up to five team members.

【Entry Submission】
Register an AIREA account, complete the electronic entry form, and upload project demonstrations such as videos, prototypes or supporting documents. Each entry costs HKD 300. Submissions closed on April 26 at 23:59 UTC+8 for most regions; Gulf-country submissions closed April 5.

【Selection】
Shortlisted entries joined online preliminary pitches on May 18–20. Finalists submitted final artefacts by July 10 and presented in person at EdUHK on July 15.

【Judging Criteria】
Problem identification and educational relevance; feasibility and functionality; social impact and responsibility; innovation and creativity; scalability and sustainability.

參賽資格

Open internationally to individuals or teams interested in AI and education; up to five people per team. Category or affiliation group is selected in the official portal.

獎項 / 結果

Each stream awards Champion, First Runner-Up, Second Runner-Up, Merit, Innovative Problem Discovery, Outstanding Innovation and Creativity, Excellence in Educational Impact and Best Pitching awards. Participants, shortlisted entries and finalists receive the corresponding electronic certificates.
