官方資訊摘要

【Competition】
Create an original science video that explains or demonstrates a scientific principle or phenomenon in a simple, clear and engaging way. The presentation may use dance, drama, props, animation or other creative approaches, but the science must remain accurate.

【Submission Format】
Maximum five minutes; English or Chinese; upload to YouTube as an unlisted video and submit the link through the official form. The work must be original, first published for this competition and not previously exhibited or entered in another competition.

【Eligibility】
Open to full-time secondary-school students in Hong Kong. Individual or team entry; teams may have up to eight students from the same school. Each student or team may submit one entry.

【Assessment】
Content / depth of scientific knowledge 40%; creativity and attractiveness 40%; production and filmmaking technique 20%. Deadline: July 31, 2026 at 23:59 HKT.

參賽資格

Full-time Hong Kong secondary-school students; individual or same-school team of up to eight. One entry per individual or team.

獎項 / 結果

Gold HKD 2,000 book voucher; Silver HKD 1,500; Bronze HKD 1,000; Most-liked Video HKD 1,000; school participation and Merit awards. Gold, Silver and Bronze awardees receive priority admission-interview opportunities. All participants receive a certificate.
