賽事期間	2027-04-17T00:00:00-07:00 至 2027-04-20T23:59:00-07:00

官方資訊摘要

【Conference】
The DECA International Career Development Conference brings together more than 10,000 high-school DECA members, advisors and business partners for competitive events, leadership development and career preparation. The 2027 ICDC is scheduled for April 17–20 in Anaheim, California.

【Qualification】
Students do not enter ICDC as independent applicants. Chartered associations run Career Development Conferences and determine which DECA members earn the right to represent them at ICDC. Competitors must meet membership and qualification requirements for their event.

【Key Deadlines】
ICDC competitor membership deadline: February 15, 2027. Registration is due from Chartered Associations on March 15. Qualifying prepared-event submissions are uploaded during March 23–30 and are due March 30.

【What to Submit】
Submission requirements depend on the selected competitive event. Prepared events may require business plans, operations research, marketing campaigns, finance projects, innovation plans or project-management documents before the conference; role-play and exam events use different procedures.

參賽資格

High-school DECA members who qualify through their Chartered Association. The exact team size, written component and presentation format are controlled by the selected competitive event.

獎項 / 結果

International finalists compete for DECA event recognition and awards in marketing, finance, hospitality, management, entrepreneurship and related pathways. Event-specific award and scholarship information is published in the annual DECA Guide.
