官方資訊摘要

【Tracks】
HKUST Track accepts teams connected to HKUST through a faculty member, student, alumnus, staff member or licensed HKUST intellectual property. The International Student Track accepts non-local universities worldwide and requires at least one full-time student from an international university.

【Round 1 Submission】
All material must be in English and submitted online. Submit one pitch deck in PPT or PDF format, minimum five and maximum ten pages, with no extra cover sheet or appendix. Deadline: July 14, 2026 at 23:59.

【Assessment Rounds】
Round 1 assesses the 5–10-page deck. Round 2 uses a five-minute pitch and three-minute Q&A; the tentative deck deadline is August 24. Final assessment uses a five-minute pitch and seven-minute Q&A; exhibition-poster content is due September 14 and the final deck October 8.

【Judging Focus】
The guidelines emphasise innovation or technology, commercial feasibility, team capability and impact. Suggested fields include information technology, renewable energy, environment, healthcare, financial services, logistics and social enterprise.
