官方資訊摘要

【Competition Format】
AMC 10 and AMC 12 are 25-question, 75-minute multiple-choice competitions. AMC 10 covers mathematics through grade 10 and excludes trigonometry; AMC 12 covers the full high-school curriculum except calculus.

【2026–27 Dates】
AMC 10 A / AMC 12 A: November 5, 2026. AMC 10 B / AMC 12 B: November 13, 2026. A student may not take AMC 10 and AMC 12 on the same competition date.

【Registration】
Students and parents do not register directly with MAA. An accredited school, college or university, recognised math circle or learning centre must appoint a Competition Manager. Early-bird deadline: September 30; regular deadline: October 15 and this is the final deadline for new Competition Managers; late deadline: October 28 for returning Competition Managers only.

【Fees】
The site registration fee is USD 55 / 75 / 115 according to the registration period. A bundle of ten AMC 10 or AMC 12 student licences costs USD 30.

參賽資格

AMC 10: Grade 10 or below and under 17.5 years old on competition day.
AMC 12: Grade 12 or below and under 19.5 years old on competition day.
Outside the United States and Canada, participants should use the recognised AMC International route for their country or region.

獎項 / 結果

High-performing AMC 10 / AMC 12 students may be invited to AIME. The 2026–27 AIME dates were still listed as TBD on 2026-08-20; USAMO / USAJMO is scheduled for March 20–21, 2027 by invitation only.
