官方資訊摘要

【Conference Dates】
THIMUN The Hague 2027 will be held from January 25 to 29, 2027. It is a senior-school Model United Nations conference using THIMUN rules and procedures.

【Participation Route】
Participation is organised through schools and is by invitation. A school that has never attended a THIMUN conference must submit a formal application containing a principal- or MUN Director-signed letter of intent, information about the school MUN club, and a list of previous international MUN experience. The Foundation asks new schools to apply before the end of July and warns that The Hague has a waiting list.

【Student Work】
Delegates research an assigned country or organisation and committee agenda, prepare policy positions and resolutions, speak in formal debate, negotiate amendments and work toward committee decisions. Individual roles may include Student Officer, International Criminal Court, Historical Security Council, NATO, Comité français and MUNITY Press, subject to the annual handbook.

【Current Publication Status】
The 2027 dates are official. The complete 2027 registration handbook, fees, delegation list, agenda and exact school deadlines were not yet available publicly on 2026-08-20.

參賽資格

Senior-school delegations from invited participating schools. New schools must complete the THIMUN Foundation application and may be placed on a waiting list. Individual students cannot bypass the school route.

獎項 / 結果

THIMUN is primarily an educational conference; participation, officer roles and conference outcomes follow the annual handbook and Rules of Procedure rather than a conventional cash-prize structure.
