報名截止	未在官方公開頁統一公佈
賽事期間	2026-12-08T00:00:00-04:00 至 2026-12-10T23:59:00-04:00

官方資訊摘要

【2026 Season Theme】
Robots Meet Culture. Teams explore how robots can help shape, protect and grow art and culture, including preserving heritage, creating art and improving access to culture.

【Categories】
RoboMission is a challenge-based robot game; RoboSports uses the Double Tennis game; Future Innovators is a project-based solution to a real-world problem; Future Engineers develops autonomous driving robots. Each category has separate general rules and season rules.

【International Final】
The WRO International Final will be held in San Juan, Puerto Rico, from 8 to 10 December 2026. Teams cannot register for the International Final directly and must qualify through the National Organizer in their country or region.

【Important Rule】
A student may join only one team and one category in a season. The age group uses the student's maximum age in the calendar year, not age on the competition date. Local competitions may use additional rules issued by the National Organizer.

參賽資格

Future Innovators age groups: Elementary 8–12, Junior 11–15, Senior 14–19; teams of 2–3 students guided by a coach. Other categories have their own age and robot requirements. The coach must be at least 18 at an international event.

獎項 / 結果

International Final judging and ranking follow the category rules. The official Q&A is treated as an addition to the rules, so teams should check it throughout the season.

日程

節點	官方時間 / 說明
2026 國際規則發佈	2026-01-15
各地選拔	由 National Organizer 公佈
WRO International Final	2026-12-08 至 12-10（San Juan）

編輯提醒

- 澳門的報名截止與選拔通道未在 WRO 國際網站統一公佈，不自行填入預測日期。
